## COMMITTEE ON RULES BOTHERS

Two Vacancies to Be Filled at the Coming Session of Congress.

MANY NAMES MENTIONED  
LITTLE CHANCE FOR HOUSE IN-SURGENTS TO DO BUSINESS.

Washington, March 6.—Speaker Cannon is puzzling his head in the interim between sessions of congress over the personnel of the next committee on rules. The appointment of this committee will be one of the first duties of the speaker of the incoming congress will have to perform, unless the "insurgents" muster enough strength to form an alliance with the Democrats to amend the rules so as to provide for the election of a committee on committees. Speaker Cannon does not believe they will, and he is considering some of the problems that may vex him in the days to come.

There are two vacancies on this powerful committee. Vice President Sherman has just left it, and so has Senator-elect Williams of Mississippi.

Possible Members.  
Many members believe that the choice of a successor to Mr. Sherman lies between Representative Tawney, chairman of the committee on appropriations, and Representative Mann of Illinois. Although Mr. Sherman came from New York, the position is claimed by western members. Mr. Sherman succeeded General Grosvenor of Ohio, and the western delegations claim it is high time that the plum be returned to them. While the speaker is a westerner, it is urged as customary that the other two Republican members of the committee be chosen one from the east and the other from the west. Representative Daboll of Pennsylvania is the eastern representative.

Mr. Tawney's rise in the house has been phenomenal. He has a powerful influence on the floor, and it is urged that he would be a great strength to the committee. Most of all, the speaker desires a parliamentarian who can defend any rule on the floor of the house.

## MADE PUBLIC BY THE MINISTER

Chicago Woman Confessed Her Wrong Thoughts or Deeds to Pastor.

INJUNCTION NOW ASKED

ANOTHER PREACHER RESIGNS IN CONSEQUENCE OF SCANDAL.

Chicago, March 6.—A situation which involves the resignation of a pastor from his church, the threatened disruption of another church and a scandal which is "without foundation," was presented in a bill for injunction filed in the superior court here today.

The bill was filed by John Lavender, and seeks to enjoin the Rev. Edward B. Crawford, pastor of the Woodlawn Park Methodist church, and the trustees and stewards of the church from publishing and circulating among the church members a confession made by Mrs. Mary Lavender, wife of the plaintiff, to Dr. Crawford. The bill recites:

"During January or February, 1909, E. B. Crawford, as pastor of said church, in conversation with a certain lady received from said lady, who believed she was conversing in confidence between a pastor and communicant, certain statements regarding her spiritual condition, experience and progress, but which he interpreted to be misconduct between said lady and a certain minister, and by threatening to publish said alleged confession caused the resignation of said pastor."

The pastor who resigned was the Rev. John D. Leek of the Western Avenue Methodist church. When asked why he resigned, he replied: "Because I am a Christian and a man."

The bill for injunction declares that there is no exigency which makes it necessary to the welfare of the congregation to publicly disseminate any information "in further betrayal of said confession, but, on the contrary, the least agitation thereof is the better it will be for the welfare of the church and of the congregation."

Will Spread It Broadcast.  
It is alleged that the publication of the confession was set for tonight, Dr. Crawford desiring, he says, to have the congregation judge whether his actions in the matter have been proper or otherwise.

As the bill proceeds the tone becomes more bitter against Dr. Crawford. The latter is accused of "malicious and corrupt distortion and betrayal of said confession." He is said to have used "the prestige of the official board to exculpate himself from the predicament into which his dastardly distortion and betrayal of said confession have placed him."

Judge Barnes this afternoon refused to issue the injunction, because, he said, the other side had not been notified of the application.

FEDERAL COURT SUSTAINS DEMURRER IN FERRY CASE

New Trial of Case Against Utah Copper Company Denied—Actions in United States Court.

In the case of the Michigan Trust company against E. S. Perry, Judge John A. Marshall sustained the defendant's demurrer to the amended complaint. This brings the long-drawn-out and famous case to a close as far as the federal court is concerned. It is probable, however, that another complaint will be filed against the Perry estate by the Michigan Trust company.

The suit is brought by the Michigan people to recover \$1,000,000 which is alleged due the Perry family now living in Michigan, who claim that that money was held in trust by E. S. Perry's father, and that he never made an accounting for the amount to the heirs. Judge Marshall overruled the motion for a new trial in the case of J. W. Dorland against the Utah Copper company, and ordered the jury to return a verdict in favor of the defendant. The suit was brought against the Utah Copper company by Dorland to recover \$35,000 for personal injuries received while in the employ of the defendant company. The case of the United States against the Union Pacific Railroad company, charged with the violation of the twenty-eight-hour law in regards to livestock, was again before the court Saturday. Judge Marshall sustained the demurrer of the plaintiff to the answer of the Union Pacific company, and the defendants were given ten days to file an amended answer.

Judge Marshall will go to Ogden on Monday, where he will hear the case of the Rio Grande Western Railway company against John Druce.

## Charges Sheriff With Being a Chicken Thief

Mrs. Margaret Petro wants Sheriff Joe C. Sharp to either restore her thirty-three chickens which she alleges he unlawfully seized, or pay her \$25. The fowls were seized under an execution against her on Feb. 27 by the sheriff, who, Mrs. Petro says, converted them to his own use. She claims that the poultry was exempt from execution and that she told Sheriff Sharp so when she demanded their return, but he turned down her request. She filed a suit in the city court Saturday.

## A JOB FOR THE TAILOR.

(Chicago News.)

## INDIGESTION AND DISTRESS FROM STOMACH WILL BE ENDED FOREVER

Miserable is the man or woman who suffers from dread Indigestion or Dyspepsia. There are few diseases which create such misery, long-drawn-out suffering, as Indigestion. It pursues them before meals, after meals and between meals; they take it to bed with them. It is with them wherever they go, though Indigestion is the simplest disease of all to cure.  
Tell such afflicted ones, dear reader, of Pape's Diapepsin; urge the sufferer to go to any Pharmacy here and give 50 cents for a case. Such a sufferer would ever bless you, because five minutes after taking there would be no more Indigestion, no feeling like a lump of lead in the stomach, or heartburn, or fullness and discomfort, or Belching of Gas or Eructations of Sour Food, Debilitating Headaches, Nausea, Water Brash and other symptoms of a sour, disordered Stomach. Pape's Diapepsin will digest anything you eat without the aid of the Stomach.  
Diapepsin is a wonderful Stomach purifier and splendid to keep the intestines clean and fresh; then your food will not ferment and poison your breath with nauseous odors. Diapepsin will rest the stomach and increase the gastric juices; this is what is mostly needed—more and better digestive juices—and no Gas—then Indigestion and all stomach trouble will go. Each 50-cent case contains sufficient to usually thoroughly cure most chronic dyspeptic.
